All That I Am

Citipointe Live

VERSE 1:
All my kingdoms turn to sand
Wash away in the power of Your Name
My redemption's through the cross
My heart's attention for the lost

PRE-CHORUS:
Oh, Father I will live for more of You
Take Your light to all the earth, We sing

CHORUS:
Let all that I am
Praise the Lord
Praise Your holy Name

VERSE 2:
Deep in my soul Your fire burns
I'll be Your light, give all for You
We Your people will rise above
Change the world in the Name of love

(BACK PRE-CHORUS)
(THEN CHORUS)

BRIDGE: x2
Around the world
Raise your voice
The kingdom of God is here
The sound of our praise will rise
Redemption is here to save our lives
