

Contrast

2 Unlimited

There's no limitation to what this beat can do
You better get the feeling before the night is through Contrast, contrast, contrast, contrast There's no limitation to
what this beat can do
You better get the feeling before the night is through
Break the beat while I'm coming up strong
There's no limitation to what this beat can do
You better get the feeling before the night is through Contrast, contrast, contrast, contrast Break the beat while
I'm coming up strong Contrast, contrast There's no limitation to what this beat can do
You better get the feeling before the night is through Contrast, contrast, contrast, contrast Break the beat while
I'm coming up strong
