Plucky

Morly

I flew through
Blue to youâ€”
You plucked my back
Sang â€˜til you
Came too soon
Get off my backâ€”my back

Wanted to
Sound like you
(Donâ€™t tell them that)
Passed through your
Ash t(w)o more
Grew from my backâ€”my back

Fuck that, daddy, Iâ€™m gone, yeah you know Iâ€™m gone
Leaving with your tracks onâ€”
Fuck that, daddy, Iâ€™m gone, yeah you know Iâ€™m gone
Leaving with your tracks onâ€”
Fuck that, daddy, Iâ€™m gone, yeah you know Iâ€™m gone
Leaving with your tracks onâ€”your tracks on myâ€”

Doped up faces crowding around your bed
Dumbed down chases taking me to my head
Well Iâ€™m taking my back

Fuck that, daddy, Iâ€™m gone, yeah you know Iâ€™m gone
Leaving with your tracks onâ€”your tracks onâ€”
Fuck that, daddy, Iâ€™m gone, yeah you know Iâ€™m gone
Leaving with your tracks onâ€”
Fuck that, daddy, Iâ€™m gone yeah you know Iâ€™m gone
Leaving with my tracks onâ€”my tracks on my back
