

# Speechless

Rupert Holmes

I can make a speech  
When the mood comes to me, yes it's true  
But oh pretty darlin'  
I am speechless when it comes to youSpeechless when you reach for my hand  
I am so speechless and I can't understand how you love me  
But as long as you keep sayin' that you love me  
There is nothin' I can sayExcept I am speechless at the sound of your voice  
I am so speechless and since I have no choice  
I keep smilin' like a cat whose caught a bird  
And just keep smilin'If I dare to say a word, you'd find me mindless  
And I don't really mind, love is blindness  
And my mind is resigned to the kindness you keep pourin' on me  
Can it be? Can it be? Can it be all for me?I don't have a hope  
If you don't dream of me, this is true  
Cause oh pretty darlin'  
I am hopeless when I dream of youSpeechless and the heart never lies  
I am so speechless so I speak with my eyes  
I am just smilin' 'cause I've seen [?]  
Oh, are you smilin' at my face within the darknessWhen I am breathless and I come up for air  
It's so endless that it gives me a scare  
It's so timeless that I never touch ground  
Why should I? Why should I? Why should I make a soundI can sing your song  
I can sigh in the night, this is true  
But oh pretty darlin'  
I am speechless at the sight of you
