Dreamer

Elizaveta

I believe in fairytales
And serendipitous encounters
Catch a tiger by the tails
Make a wish
Drink from the fountain

Oh-oh-oh oh-oh

I believe love will prevail
The path is clear for me to follow
Shooting stars will leave a trail
For me to fill with joy and sorrow

Oh-oh-oh oh-oh

Leave your fear of love behind
Let your dreaming be your guide
If you seek then you shall find.

The sun is setting in the west
It hovers like a big balloon
It follows me and beckons me
But I am staring at the moon

Oh-oh-oh oh-oh

Leave your fear of love behind
Let your dreaming be your guide
If you seek then you shall fi-i-i-i
I-i-i-i-i
I-i-i-i-i-i-nd

Turn the tide in from the fallen
Waiting to rise up again
I can feel it in blood
I hold the future in my hand (x5)

Leave your fear of love behind
Let your dreaming be your guide

If you seek then you shall find.

I believe in fairytales
And serendipitous encounters

I believe in fairytales
And serendipitous encounters
