

# Tonight Tonight

## The Da Capo Players

Ain't nothin' better than anticipation  
Tonight's been playin' over in my head  
I've had enough of all the expectations  
Waitin's the hardest part like Tom Petty says  
We cuttin' loose like we're on a mission  
Them stars are shining, it's a perfect night  
I swear you lookin' like a moonlit vision  
It's takin' over, and I won't fight  
That's because tonight, tonight been waitin' to see you  
Tonight, tonight, we can't go wrong  
It feels so right just bein' here with you  
We've been waitin' for this moment all day long  
Tonight, tonight, tonight  
Tonight

The room is spinnin' like a disco ball  
Everybody's dancin', it's a party y'all  
You move yourself and that graffiti sky  
Gives you that feeling everything's gonna be alright  
We just got rockin', now we're rollin, rollin'  
Ain't goin' home until they're closin', closin'  
We'll see the sun before you know it, know it  
And we won't wanna say goodbye  
That's because tonight, tonight been waitin' to see you  
Tonight, tonight, we can't go wrong  
It feels so right just bein' here with you  
We've been waitin' for this moment all day long  
Tonight's the night you've waited all week for  
You're gonna take it 'til you just can't take no more  
You better not wait up for me  
Tonight, tonight, tonight  
Oh, tonight, tonight, tonight

That's because tonight, tonight been waitin' to see you  
Tonight, tonight, we can't go wrong  
It feels so right just bein' here with you  
We've been waitin' for this moment  
That's because tonight, tonight been waitin' to see you  
Tonight, tonight, we can't go wrong  
It feels so right just bein' here with you  
We've been waitin' for this moment all day long

Tonight, tonight  
Tonight, tonight  
Tonight, tonight  
Tonight, tonight
