

Girls Talking Bout

Jawan Harris

Girls talkin' bout, I got them girls talkin' bout
I got them girl talkin' bout, I got them girls, girls

Aye shawty what's your name, what's your number
You heard about my age well forget that number
I can put the throw in your life
I can make your dreams come to life
I hear you talking, I know that I'm what you like

Swagger on a hundred thousand million and beyond
I see you talking to ya friends looking at me in the corner of ya eye
Girl you know I would rather be with you no one would matter
'Cause I I hear you talking and girl I know what you like

I'll take off my shades show you my eyes
I can see right through you girl I know you ain't shy
Girl you put in work, over time
See I got you talking I know y'all girls be talking

Girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls, girls, girls, girls

Aye shawt shawty what say, girl I hear ya
Get all up in my face let me see you more clearer
Where all the girls withe the dimples
Smile for me it's that simple
I hear you talking and girl I know what you like

Swagger on a hundred thousand million and beyond
I see you talking to ya friends looking at me in the corner of ya eye
Girl you know I would rather be with you no one would matter
'Cause I I hear you talking and girl I know what you like

I'll take off my shades show you my eyes
I can see right through you girl I know you ain't shy
Girl put in work over time
See I got ya talking I know y'all girls be talking

Girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls, girls, girls, girls

I hear them girls talking bout me every day
'Cause I walk with a bop and I got that swag to match my jays
They be like aye aye aye baby meet me around my way baby
All the ladies love me stay talking about me

Girls talkin', talkin', talkin', talkin', talkin'
Girls talkin', talkin', talkin' bout
I got them girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls, girls, girls, girls
I got them girls talkin' bout, I got them girls talkin' bout
I got them girls talkin' bout, I got them girls, girls, girls, girls

I hear them girls girls girls talking bout me every day
'Cause I walk with a bop and I got that swag to match my jays
They be like aye aye aye baby meet me around my way baby
All the ladies love me stay talking about me
