

The Contract

Sparzanza

I see no meaning of life
I'm just a lesser version of myself
So lost, without a cause
I'm always drawn to where the darkness dwells I'm falling down
I am far beyond redemption
Hell's reaching out
With enough of an temptation I give up my soul
A contract in blood
I'm out of control
Awaiting the flood, a contract in blood
Let there be no more light
When all hope is gone I'll seal your fate
Deep in the dead of the night
We will step into the burning gates You're falling down
You are far beyond redemption
Hell's reaching out
Can't escape from your damnation I give up my soul
A contract in blood
I'm out of control
Awaiting the flood, is a contract in blood
I give up my soul
A contract in blood
I'm out of control
Awaiting the flood, a contract in blood
