

Shiverman

Fat Freddy's Drop

Yeah-ohh

All day tellin' me to shake it loose

(Keep away from me)

All day tellin' me to shake it loose

(Keep away from me)

All day tellin' me to shake it loose

(Keep away from me)

All day tellin' me to shake it loose

(Keep away from me)

All day tellin' me to shake it loose

Way-ohh

Way-ohh

Way-ohh

Way-ohh

Way-ohh

Way-ohh ohh ohh ohh ohh ohh ohh

That guh' go shake it loose

That guh' go shake it loose

That guh'

That guh'

That guh' go shake it loose

Shake that shiverman uh

Hairs on the back stand uh

Belly cold tight frame uh

Got me lookin' like a runaway

(Lookin' like a runaway)

Head down to the ground

Captivated by the sound

Try but you can't speak

When you're motivated by deceit

Motivated by deceit

Deceit,

Deceit,

When you're motivated by deceit

Deceit

(I don't know)

Deceit,
(I don't know)

(x 22)

Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose

Oh low

Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose

Oh low

Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose

Oh low

Shake that shiverman loose
Shake that shiverman loose
Shake that shiverman loose

Oh low, ohh woah wooaaahh

Shake it now loose yeah

Shake it now loose

Oh yeah (oh yeah)

Don't keep tellin' me, what I should do-see

I can do what ever I please

That's just the shiverman and his crooked plan

To bring a good man to his knees

On your TV, in your papers, it's all the pretty things

They gettin' guilty for being who you be be

Don't you worry, I know and I never want you to feel alone

No you always got nowhere to go woah woah

Never want you to feel alone

No you always got nowhere to go go go go

Going yeah yeah yeah

Wooaaah oo oo oo oo.

Now I'm making my way back home

I still got far to go

Now I'm making my way back home

Wooaaah oo oo oo oo

Now I'm making my way back

Making my way back

Making my wayyy

Wooaaah oo oo oo oo

Wooaaah oo oo oo oo

Now I'm making my way
