

Theme Song

All Girl Summer Fun Band

They're nothing big but they're nothing small
Just four best friends that you'd like to call
With Kathy, Kim, Ari, rockin' Jen
When you hear their songs, you'll want to hear them again
They're the all girl summer fun (la la la la la la)
The all girl summer fun (they're having fun again)
The all girl summer fun (la la la la la la)
The all girl summer fun (la la la la la la)
The all girl summer fun (they're having fun again)
The all girl summer fun (la la la la la la)
