

SECULAR HAZE (Re-mastered Version)

Ghost

You know that the fog is here omnipresent
When the diseaser sees no cure
You know that the fog is here omnipresent
When the intents remain obscure
ForevermoreWeave us of mist
Fog weaver
Hide us in shadows
Unfathomable wall-less maze
A secular hazeYou know that his son is near omnipotent
When she sees eye to eye with spears
You know that his son is near omnipotent
When youth and innocence disappear
Forever lostWeave us of mist
Fog weaver
Hide us in shadows
Unfathomable, wall-less maze
A secular hazeHe is divinity omniscient
Seeing the world revolve with spite
The surge of humanity oblivious
To the divine bringeth light
Let there be nightWeave us of mist
Fog weaver
Hide us in shadows
Fog weaverCome mist eternalCome mist eternalCome secular haze.
