Heaven

Kane Brown

This is perfect
Come kiss me one more time
I couldn't dream this up
Even if i tried
You and me in this moment
Feels like magic only
I'm right where I wanna beEverybody's talking about heaven like they just can't wait to go
Saying how it's gonna be so good, so beautiful
Lying next to you, in this bed with you, I ain't convinced
Cause, I don't know how, I don't know how heaven, heaven
Could be better than this
I swear you're and angel
Sent to this world
What did I do right to deserve you, girl?
I could stay here forver
I'd be fine if we never had to even leave this roomEverybody's talking about heaven like they just can't wait to go
Saying how it's gonna be so good, so beautiful
Lying next to you, in this bed with you, I ain't convinced
Cause, I don't know how, I don't know how heaven, heaven
Could be better than this
Could be better than this
Everybody's talking about heaven like they just can't wait to go
Saying how it's gonna be so good, so beautiful
Lying next to you, in this bed with you, I ain't convinced
Cause, I don't know how, I don't know how heaven, heaven
Could be better than this (Heaven)
Could be better than this (Heaven, heaven)I swear this is perfect
Come kiss me one more time
