Lift My Life Up

Unspoken

You brought me this far
So why would I question You now
You have provided
So why would I start to doubt
I've never been stranded, abandoned
Or left here to fight alone
So I'm giving You controlI lift my life, lift my life up
I give it all in surrender
I lift my heart, lift my heart up
You can have it forever
All my dreams, all my plans
Lord, I leave it in Your hands
I lift my life, lift my life up
Have Your way in me
Have your way in meIf peace is a river, let it sweep over me
If I'm under fire, I know it's refining me
When I hear You calling out, I follow now
Wherever the road may go
I know You're leading me homeTake my life, let it be
All for You
Take my life, let it be
All for You
