## Kings of Leon

Advisory - the following lyrics contain explicit language:

Huff men don't take no nonsense  
He's here to rectify  
He's got his black belt buckle  
And the red mans fire in his eyes You with your switchblade posse  
I'll get my guns from the south  
We'll take to the yard like a cock fight  
For kicks, who's struttin' now? This party's overrated  
But there ain't shit else to do  
She's a lovin' on the boy from the city  
I'll be lovin' him under my shoe You with your switchblade posse  
I'll get my guns from the south  
We'll take to the yard like a cock fight  
For kicks, who's struttin' now? You with your switchblade posse  
I'll get my guns from the south  
We'll take to the yard like a cock fight  
For kicks, who's struttin' now?
