

Summer in the Winter Time

Nick Gill

I made a picnic for you/I made a picnic for two/ come morning well watch the sky turn from black to blue//humming//you are my summer in the winter time/ you are the light that melts my frostbite/o you got the sun beat/baby without you Im obsolete/with you / Im complete//lets take a walk through the plains/the clouds wont keep me away/cause after all/ you are my beautiful day//humming//you are my summer in the winter time/you are the light that melts my frostbite/o you got the sun beat/baby without Im obsolete/with you/Im complete//well get lost in each other/Im in it for you forever/I know/ I know theres nothing better//you are my summer in the wintertime/you are the light that melts my frostbite/o you got the sun beat/baby without you Im obsolete/with you/Im complete//you are my summer in the wintertime/you are the light that melts my frostbite/o you got the sun beat/baby without you Im obsolete/with you/ Im complete/Im complete yeah//
