Northwest

Second Best

Late to class, I swear itâ€™s the last time
They all stare like Iâ€™m in the spotlight
But I donâ€™t care, cuz tonight Iâ€™ll be free
You canâ€™t stop me, you wonâ€™t bring me down
So let go

Hereâ€™s to nights weâ€™ll never remember
With friends we wonâ€™t forget
Hereâ€™s to stories weâ€™ll have forever
Weâ€™ll live with no regrets
We wonâ€™t be broken
Live in the moment
Letâ€™s make it last

Drunken walks, avoiding cops
Weâ€™ll get lost, but that wonâ€™t stop us
Weâ€™re inclined to stay in line,
But we wonâ€™t waste the best years of our lives

Took stats twice because I turned 21
Failed my midterm, the unsuccessful son
Homeless, living out of my backseat
No regrets, I wouldnâ€™t change a fucking thing
