

Crazy Days

Adam Gregory

Baby, lets take a drive, top down
Underneath the Carolina sky
We can watch the fireflies
Try to outshine the starsI wanna lay a blanket down
Find a way back
To where our love was found
Baby, lets go right nowBack to our hearts
Beating wild
In the back of my beat up truck
Back to those butterfliesFirst time we felt in love
Back to your smiling eyes
Come on, baby, take my hand
Let's find a way back to our crazy daysDon't worry about what to wear
Those faded cut off jeans are my favorite pair
Don't go messing with your hair
Let it all blow aroundMove over in the middle by me
Just like you did
When your daddy couldn't see
Why his little girl loved a boy like meBack to our hearts
Beating wild
In the back of my beat up truck
Back to those butterfliesFirst time we felt in love
Back to your smiling eyes
Come on, baby, take my hand
Let's find a way back to our crazy daysYou remember cutting class
Heading to the creek
Doin' '95 down a two lane street
Staying up all night
Talkin' about forever you and meI can see that look in your eyes
And if I know you, they don't lie
They're telling me
You're thinking about going back
About getting backBack to our hearts
Beating wild
In the back of my beat up truck
Back to those butterfliesFirst time we felt in love
Back to your smiling eyes
Come on, baby, take my hand
Let's find a way back to our crazy days
