

For Martha

Smashing Pumpkins

Whenever I run
Whenever I run to you lost one
It's never done
Just hanging on Just past has let me be
Returning as if dream
Shattered as belief If you have to go don't say goodbye
If you have to go don't you cry
If you have to go I will get by
Someday I'll follow you and see you on the other side But for the grace of love
I'd will the meaning of
Heaven from above Your picture out of time
Left aching in my mind
Shadows kept alive If you have to go don't say goodbye
If you have to go don't you cry
If you have to go I will get by
I will follow you and see you on the other side But for the grace of love
I'd will the meaning of
Heaven from above Long horses we are born
Creatures more than torn
Mourning our way home
