Diamond Trade

Shapeshifter

Hiding under covers like a lover on the run
Picking of the good one, still the best is yet to
Come a little closer, let me whisper in your ear
Everything you ever dreamt of, it goes soon up hereOnly in your wildest dreams, your wildest
Time to live your wildest dreams, your wildestCan we turn a leaf, can we please turn another page?
Feels like we've been here before, I know I've seen ya
Time can be against us, so we best to move at pace
Leave the worries of the day, it's time to go this way
Come a little closer let me whisper in your ear
Everything you ever dreamt of, it goes soon up here
Only in your wildest dreams, your wildest
Only in your wildest dreams, only in your wildest
