Say What!

Stained Red

Soul to soul, soul to soul, soul to soul, soul to soul, soul to soul, soul to soul
Say what!
Soul to soul, soul to soul, soul to soul, soul to soul, soul to soul

Soul to soul, soul to soul, soul to soul, soul to soul,
Soul to soul, soul to soul, soul to soul, soul to soul
Say what!
Soul to soul, soul to soul, soul to soul
