# Day In, Day Out

## Streetlight Manifesto

I don't want to barge in on your secrecy
See dependency, see it means nothing to me
I don't want to hear about your problems
And I don't want to listen to your apathy
See you're not like me, see you mean nothing to me
All your cash doesn't make you any greener
I don't need anyone, I don't need anyone
I don't need anyone to tell me what to feel
I don't need anyone, I don't need anyone
I don't need anyone to hate the world with me
Day in, day out, it's not that bad
I worry and I worry but you'll never have to worry again
Day in, day out, it's not that bad
I worry and I worry but you'll never have to worry again
Won't have to worry again, never be alone
I don't want to barge in on your secrecy
See dependency, see it means nothing to me
I don't want to hear about your problems
And I don't want to listen to your apathy
See you're not like me, see you mean nothing to me
All your cash doesn't make you any greener
I don't need anyone, I don't need anyone
I don't need anyone to tell me what to feel
I don't need anyone, I don't need anyone
I don't need anyone to hate the world with me
Day in, day out, it's not that bad
I worry and I worry but you'll never have to worry again
Day in, day out, it's not that bad
I worry and I worry but you'll never have to worry again
Won't have to worry again, never be alone
Alone in my room with a bucket full of phlegm
I don't need a music scene to tell me who I am
Should have got a warning, should have came a year ago
Should I send her a birthday card? My conscience tells me no
I don't need anyone, I don't need anyone
I don't need anyone to tell me what to feel
I don't need anyone, I don't need anyone
I don't need anyone to hate the world with me
Day in, day out, it's not that bad

I worry and I worry but you'll never have to worry again
Day in, day out, it's not that bad
I worry and I worry but you'll never have to worry again
Won't have to worry again, never be, never be, never be alone
