So Good

[Melinda Watts](#)

See, you werenâ€™t there
All the nights I cried myself to sleep, yea
And nobody was there
When my heart was broken in pieces
When I think about all the things heâ€™s done
How he brought me out and how I over come
I get beside myself, I canâ€™t help myself
I donâ€™t hold it all inside
I just gotta let it out
Sometimes I scream
Sometimes I shout
I just might even run around
I leap for joy
I lift my voice because
He been so good to me

Chours

(Lead) Been so,
(group) been so,
(Lead) good to me,
(group) good to me,
(Lead) been so,
(group) been so,
been so good to me
(Lead) Been so,
(group) been so, been so
I lift my voice because Heâ€™s been so good to me

(Lead) I remember a time when I couldnâ€™t see
what He saw in me
Yes, even I was to blind to believe what He said I could be

When I think about all the things heâ€™s done
How he brought me out and how I over come
I get beside myself, I canâ€™t help myself
I donâ€™t hold it all inside
I just gotta let it out
Sometimes I scream
Sometimes I shout

I just might even run around
I leap for joy
I lift my voice because
He been so good to me

Chours (repeat)

Lead) Been so,
(group) been so,
Lead) Been so,
(group) been so, (repeat)

(Lead) When I think about all the things he's done
How he brought me out and how I over come
I get beside myself, I can't help myself
I don't hold it all inside
I just gotta let it out
