

# Do You Know Where Your Children Are

Michael Jackson

Father comes home from work, and he's scared to death  
Mother cries for the kid, and the note she read  
Father runs to the table, he says "What's going on?"  
Mother cries desperately, "Our little baby's gone!" Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are She wrote that she is tired of step daddy using her  
Saying that he'll buy her things, while sexually abusing her  
Just think that she's all alone somewhere out on the street  
How will this girl survive?  
She ain't got nothing to eat! Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are Save me (from this living hell)  
Save me (cause I don't wanna know)  
Save me Now she's on the move, she's off to Hollywood  
She says she wanna be a star, she heard the money's good  
She gets off from the train station, the man is waiting there  
"I'll show you where the money is, girl just let down your hair"  
He's taking her on the streets, of Sunset Boulevard  
She's selling her body hard, girl that will take you far  
The police come 'round the corner, somebody there they told  
He's arresting this little girl, that's only twelve years old! Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are Do you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are Do you know where your children are?  
Because it's now twelve o'clock

If they're somewhere out on the street  
Just imagine how scared they areDo you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they areDo you know where your children are?  
Because it's now twelve o'clock  
If they're somewhere out on the street  
Just imagine how scared they are
