

Fresh Air

Future

OstentaÃ§Ã£o, palavra que eu gosto de ouvir
Sayin' touch your toes while you cookin' breakfast
Pacific Ocean out your backyard lookin' sexy
Straight shot, codeine, no chase
Don't let y'all cheese go to waste I'm a need fresh air
When I need fresh air
I need to get out of my home
It's been too long
Girl, I need Move on
Afternoons come before nighttime without you
Never broke, place up, don't forget I had that (come on)
Feel like Janet Jackson said, it's all for you
Never try to put another girl
She ain't what I'm lookin' for, no I'll be right back, I'm on auto-pilot for the week (I'll be right back)
Bad, bad, but she lookin' better every week On some shit to make you mine
Tell me what safe you got
Tell me where the security at
Movin' up to bigger paper, bae
Tell me, tell me, is it impossible
To relieve stress and fall in love? I'm a need fresh air
I'm a need fresh air
I need to get out of my home
It's been too long
Girl, I need Sayin' touch your toes while you cookin' breakfast
Pacific Ocean out your backyard, lookin' sexy
Straight shot, codeine, no chase (no chase)
Don't let y'all cheese go to waste I'll be right back, I'm on auto-pilot for the week
Bad, bad, but you lookin' better every week I'm a need fresh air
I'm a need fresh air
I need to get out of my home
It's been too long
Girl, I need
Girl, I need
I'm a need
Girl, I need
I'm a need Tell me what we
If I need to breathe
Tell me why you suffocate
If I need to breathe

Breathe, breathe
If I need to breathe
Breathe, breathe
We, we, we, we I'm mad, I'm mad, you know that I'm mad
Tipped up the scale, now pullin' up to the band'
I'm mad, I'm mad, you know that I'm mad
Where is the love tonight? Where is the drugs tonight?
Early bird, she run away
I just need fresh air right away
I just need fresh air right away (All I need is fresh air) I'm a need fresh air
I'm a need fresh air
I need to get out of my home
It's been too long
Girl, I need
Girl, I need
I'm a need
Girl, I need
I'm a need Early bird, she run away
I just need fresh air right away
I just need fresh air right away
I'm a need fresh air
I'm a need fresh air
I need to get out of my home
It's been too long
Girl, I need
