

I've Been Waiting for Her

[Mac DeMarco](#)

Give up my life for the rhythm
For the beat of a heart like hers
Started over to the rhythm
To the beat of a heart like hers And believe me
I've been waiting for her
And believe me
I've been waiting for her Listen closely for the rhythm
To the beat of a heart like hers
Could I quit it, started over
To the beat of a heart like hers
And believe me
I've been waiting for her
Believe me
I've been waiting for her
Believe me
I've been waiting for her
Believe me
I've been waiting for her
