

Hold On To Me (John O'Callaghan Remix)

[Armin van Buuren](#)

I see faces, people and places
Burn up tonight and fade to gray
Walking on water, dancing on wire
Hang on the edge and don't look down I'm on the outside
Wide open spaces
Searching for time to hold on to
In to the daylight
Your revelation cuts like a knife
And breaks on through[x2]
Hold on to this
To dream is a gift
To love is divine
And I won't bring you down
Hold on to me
To dream is to be
To leave is to shine
And I won't bring you down And breaks on through
