

Get Dirty (feat. Wyclef Jean)

[Xenia Ghali](#)

In the middle of Georgia watch her go
In the middle of Georgia watch her go
In the middle of Georgia watch her go
Watch her go Watch her go Watch her go
In in the middle of Georgia watch her go
In the middle of Georgia watch her go
In the middle of Georgia watch her go
Sally on da high and she loving the pill
On a Saturday night on top of a hill
And she love the rainbow when she look at the field
Her man got a gun and he up in the club
Looking for Sally and he up her drunk
She got a new boy friend hanging out on the couch Sally get Dirty,
Sally getting Dirty,
Sally getting Dirty
Roll, Roll, Roll, Roll
Sally getting dirty
Sally getting dirty
Sally getting dirty
She got him singing the blues In the middle of Georgia watch her go
In the middle of Georgia watch her go
In the middle of Georgia watch her go
Watch her go Watch her go Watch her go
In in the middle of Georgia watch her go
In the middle of Georgia watch her go
In the middle of Georgia watch her go
Sally on da high and she loving the pill
On a Saturday night on top of a hill
And she love the rainbow when she look at the field
Her man got a gun and he up in the club
Looking for Sally and he up her drunk
She got a new boy friend hanging out on the couch Sally get Dirty,
Sally getting Dirty,
Sally getting Dirty
Roll, Roll, Roll, Roll
Sally getting dirty
Sally getting dirty
Sally getting dirty
