

I Am the Artist

Red Sleeping Beauty

I am the artist
and you are my song
You are the single
But you won't play for long
There's nothing we can do about it
Now you are awfully quietIt's complicated
You think you're underrated
I think that's overstatedI should tell you
What I think about you
I think a lot about you
I take my time
to get it right
Take your time,
hear the words you need to knowI am the artist
and you are my song
You're easily forgotten
Now we all sing along
There's nothing we can do about itI am the artist
and you are my song
You are the single
But you won't play for long
There's nothing we can do about it
Now you are awfully quietThere's a place and time for everything we want
There's a place and time for everything we want
I am the artist
and you are my song
You're easily forgotten
Now we all sing along
There's nothing we can do about itI am the artist
and you are my song
You are the single
But you won't play for long
There's nothing we can do about itI am the artist
You're easily forgottenI am the artist
You are the single
