We Are Who We Are

Hope Partlow

Jade:
Mama, mama,
Mama made me the way I am
My face, my eyes
Someone turn me up, I'm speaking my mind
Leigh Anne:
and I, and I
I've been wasting a lot of time
Looking in mirrors and hating on me
But now I like what I see
Jesy:
I know, I know
I'll never be perfect
I know, I know
But I'm gonna work it
Let go, let go
Put your new shoes on
A new you on
Perrie:
We are who we are who we are
Pretty's just a pretty word
And I'm gonna shine like a star
Cause I'm the only me in this world
Throw away the books and the magazines
I'm never gonna look like a beauty queen
We are who we are who we are
And I'm just doin' me
Just doin' me
And I'm just doin' me
Just doin' me
Jesy:
Mama, mama
Mama made me the way I am
She told me I should
Look upon the world with my head held high
Perrie:
And I, and I
I've been wasting a lot of time
Looking in mirrors and hating on me

But now I like what I see
Leigh Anne:
I know, I know

I'll never be perfect
I know, I know
But I'm gonna work it
Let go, let go
Put your new shoes on
A new you on
Perrie:
We are who we are who we are
Pretty's just a pretty word
And I'm gonna shine like a star
Cause I'm the only me in this world
Throw away the books and the magazines
I'm never gonna look like a beauty queen
We are who we are who we are
And I'm just doin' me
Just doin' me
And I'm just doin' me
Just doin' me
I know, I know
I'll never be perfect
I know, I know
But I'm gonna work it
Let go, let go
Put your new shoes on
A new you on
Perrie:
We are who we are who we are
Pretty's just a pretty word
And I'm gonna shine like a star
Cause I'm the only me in this world
Throw away the books and the magazines
I'm never gonna look like a beauty queen
We are who we are who we are
And I'm just doin' me
Just doin' me
And I'm just doin' me
Just doin' me
And I'm just doin' me
Just doin' me
And I'm just doin' me
Just doin' me

And I'm just doin' me
Just doin' me
And I'm just doin' me
Just doin' me
