

Groom

American Supermodel

Verse

Slip on monkey suit

Feeling pretty cute

A cigarette to calm me down Figure dressed in white

Imposing sheer delight

Never gonna look back now Chorus

It's raining white today

A fanciful/fools parade

A veil of white today, I know Verse

Figure dressed in white

Known her all my life

Never gonna look back now Off to honeymoon

Good loving coming soon

Feeling quite alright tonight, yeah Chorus (x2) Bridge

Bells chime, Bells chime, Bells chime on... Chorus (x3)

The bride in white today, I know...
