

Special Brew

Skankin' Pickle

And I love you, yes I do, 'cause I know that you love me too
And I love you , yes I do, gonna spend all my money on you
And everyday when I say that I'm not gonna take anymore
It's okay, don't go away, I'll be back when you're closing the door I need some more to restore all the feelings
that I get from you
And I want more, give me more, all I want is a barrel of you And I love you, yes I do, 'cause I know that you
love me too
And I love you, yes I do, gonna spend all my money on you And I don't care when they stare at the way that I'm
always with you
We're a pair, it's not fair when they say we're a special crew And I love you, yes I do, 'cause I know that you
love me too
And I love you, yes I do, gonna spend all my money on you
And everyday when I say that I'm not gonna take anymore
It's okay, don't go away, I'll be back when you're closing the door And I love you, yes I do, 'cause I know that
you love me too
