I'm the one I don't want you, I don't need you  
With closed eyes I see right through you  
I was crawling always falling  
You don't know what I have lived through No I am not a rich man  
No I am not a bitch  
I know you, made one mistake  
This is my, life you cannot take it I'm the  
(Yeah)

I'm the one I don't want you, I don't need you  
With the closed eyes I see right through you  
I was crawling always falling  
You don't know what I have lived through Automatic termination

I'm the  
    (Yeah)
