Lost Without You (Snatch N Grab)

Delta Goodrem

I know I can be a little stubborn sometimes
A little righteous and too proud
I just want to find a way to compromise
Cause I believe that we can work things outI thought I had all the answers never giving in
But baby since you've gone I admit that I was wrongAll I know is I'm lost without you I'm not gonna lie
How my going to be strong without you I need you by my side you
If we ever say we'll never be together and we ended with goodbye
Don't know what I'd do? I'm lost without you
I keep trying to find my way but all I know is I'm lost without you
I keep trying to face the day I'm lost without youHow my ever gonna get rid of these blues
Baby I'm so lonely all the time
Everywhere I go I get so confused
You're the only thing that's on my mindOh my beds so cold at night and I miss you more each day
Only you can make it right no I'm not too proud to sayAll I know is I'm lost without you I'm not gonna lie
How my going to be strong without you I need you by my side you
If we ever say we'll never be together and we ended with goodbye don't know what
I'd do? I'm lost without you
I keep trying to find my way but all I know is I'm lost without you
I keep trying to face the day I'm lost without youIf I could only hold you now and make the pain just go away
Can't stop the tears from running down my face
OhAll I know is I'm lost without you I'm not gonna lie
How my going to be strong without you I need you by my side you
If we ever say we'll never be together and we ended with goodbye don't know what
I'd do? I'm lost without you
I keep trying to find my way but all I know is I'm lost without you
I keep trying to face the day I'm lost without you
