Advisory - the following lyrics contain explicit language:

Come and see  
I swear by now I'm playing time against my troubles  
Oh oh  
I'm coming slow but speeding  
Do you wish a dance and while  
I'm in the front  
The play on time is won  
Oh but the difficultys coming here  
I will go in this way  
And I find my own way out  
I won't tell you what to be  
But it's coming to much more  
Me  
Come down the ghosts come back  
Reeling in you now  
Oh What if they came down crashing  
Remember the way we used to play for  
all of the loneliness that nobody  
notices now  
Oh begging slow I'm coming here  
Only waiting.. I wanted to stay  
I wanted to play,  
I wanted to love you  
I'm only this far  
And only tomorrow leads the way  
I'm coming and waltzing back and  
moving into your head  
Please, I wouldn't pass you by  
Oh I wouldn't take any more  
Than what sort of man goes by  
I will bring water  
Why won't you ever be glad

It melts into wonder  
I came in praying for you  
Why won't you run  
Into rain and play  
And let tears splash all over you
