

I Can't Help It

Kevin Cossom

By any means, yeah!
Gotta get it, gotta get it!
Yeah, yeah! I be in that rap beat,
Outside black but that inside kaki,
Niggas can't catch me,
watch a nigga break out, ah!
Call it acne,
your girl riding shotty,
She giving me top piece,
Now your big ..
Aston Martin vanquish,
If you can't afford it,
I know you can't understand it!
You popular and I'm famous,
I make a hit and you bang it!
I'm so fly, I'm so high!
Ain't planning on landing,
I'm planning on slanging!
I'm planning on banging!
She told me gonna come through!
She planning on singing!
Bring them in the club
And you know they gonna leave you hanging
As soon as they see KC in the building women get to fainting
When that get in their system that's when they get loud!
This ain't your first time, girl
Why are you telling lies?
Damn baby, you freaky!
Why I am not surprised?
Look at all that ass moving around,
I can't believe my eyes! Faster, faster she said she want it faster!
So you know I'mma give up to her,
I'mma gonna make it last forever,
like ... girl call me the master,
But afterwards I'm ghost!
Casper! Girl, Casper!
C O S S O M !
Yeah!
I get women!

I can't help it!
You can't knock it!
Gotta accept it!
You can't stop it, better respect it,
This is who I am, man,
I can't help it!
I can't help it!
Yeah! Yeah!
