# Can't Help Falling In Love

## The Stylistics

Wise man say only fools rush in
But i can't help falling in love with you
Shall i stay
Would it be the same
But i can't help falling in love with you
Like a river flows, surely to the sea
Darling, don't you know
That some things, some things were meant to me
Darling take my hand
Take my whole life too
For i can't help falling in love with you
