

# You've Got a Friend

McFly

When you're down and troubled  
And you need a helping hand  
And nothing..oh nothing is going right  
Close your eyes and think of me  
And soon i will be there  
To brighten even your darkest night

You just call out my name  
And you know wherever i am  
I'll come running..yeah..to see you again  
Winter, spring,summer or fall  
All you gat to do is call  
And I'll be there..yeah..yeah..  
You've got a friend

If the sky above you  
See turn dark and full of clouds  
And that all north wind should begins to blow  
Keep your head together  
And call my name out loud..yeah..  
Soon I'll knocking upon your door

You just call out my name  
And you know wherever I am  
I'll come running..oh yes i will..to see you again  
Winter,spring,summer or fall..yeah  
All you got to do is call  
And I'll be there..yeah..yeah..yeah

Ain't it good to know that you've got a friend  
When people can be so cold  
They'll hurt you, and desert you  
Will the take your soul if you let them..oh yeah but don't you let them..

You just call out my name  
And you know wherever I am  
I'll come running..to see you again..oh baby don't you know about..  
Winter,spring,summer or fall..hey now  
All you got to do is call  
And I'll be there

You've got a friend  
You've got a friend

Ain't it good to know..you've got a friend  
Ain't it good to know..you've got a friend
