

# I Just Had To Hear Your Voice

Laura Fygi

I know you thought it best  
That we spend a little time apart  
    But one night without you  
        Is so much for my heart  
I know I promised not to call  
Sorry, but I didn't have a choice  
    I just had to hear your voice  
        Oh, please don't be mad at me  
    'Cause I really did the best I could  
        Not to dial your number  
        But I didn't do much good  
Hung up the phone so many times  
    'Til I really didn't have a choice  
        I just had to hear your voice  
        I had to know that you're okay  
        I couldn't get to sleep this way  
        And I had to hear you say hello  
            I had to  
                Because I love you so...  
I know you thought it best  
That we spend a little time apart  
    But I had to hear your voice  
        Though I know is just wasn't right  
    I just had to hear your sweet voice...
