

Funk's on Me

Funkdoobiest

Confusion

What are the fuckin' players [Incomprehensible]

What are the fuckin' players [Incomprehensible]

What are the fuckin' players [Incomprehensible]

What are the fuckin' players [Incomprehensible]C'monYo, here's the intro, it's nice and simple

'Cuz Son's the nympho, well, there's the info

I'm the B boy who takes out decoys

Like Leonard Nimoy, heard Bruce LeroyI'm catchin' bullets with my teeth

To make it brief, yo, I got no beef

But I'm feelin' iry, that's in my diary

My voice is fiery, fuck my rivalryI drink pina colady, I get diabolic like the bubonic

Plague, egg is the shape of my dome

Don't bring it home if you can't use a comb

I side with the Dukes for all my folks

I rock the crowd and go for broke'Cuz the funk's on me, the funk's on me, the funk's on me

I said, the funk's on me, the funk's on me, the funk's on meC'monI'll do the tango to the Star Spangled

Play the bango then eat a mango

'Cuz I funk daily like Pearl Bailey

I'm not an Israeli but I'm hittin' like Halley'sComet, drop it, funk is the topic

I'm off like a rocket, a porno in the pocket

I'm different, funk's what I'm stimpin'

Like Andy Griffith, think I'll go fishin'Catch me a crooner, the crazy Son dueler

Mr. Wang also got big fat cojones

Step to the fellow like Abbott and Costello

I'm kinda mellow yet I can't stand yellow'Cuz the funk's on me, the funk's on me, the funk's on me

I said, the funk's on me, the funk's on me, the funk's on me'Cuz the funk's on me, the funk's on me, the funk's on me

on me

I said, the funk's on me, the funk's on me, the funk's on meWhat are the fuckin' players [Incomprehensible]

What are the fuckin' players [Incomprehensible]

What are the fuckin' players [Incomprehensible]I kick the phat funk for your back trunk

No, I smack punks, who's Michael Jackson?

'Cuz I rock a party, golly Miss Molly

Know I'm flava like beef teriyakiSkills are scorchin', here's a portion

Punk, use caution like Wheel of Fortune

Go round and round, where will it stop?

I throw hip hop, so I'll never get droppedThe Soul Assassin, who's strong like Sampson

I'm ill like Manson, I'm harrassin'

Empty MC's, so punk, don't tempt me

You know I'm flava just like DenteThe funk's on me, the funk's on me, the funk's on me

I said, the funk's on me, the funk's on me, the funk's on me Yeah, the funk's on me, the funk's on me, the funk's
on me

I said, the funk's on me, the funk's on me, the funk's on me I said, the funk's on me, the funk's on me, the
