

Absolute Zero

Stone Sour

Absolute Zero
The bloody angle, The symmetry
Your cheap adhesive isn't holding me
My mouth is a gun I can shoot
I can show you the truth
And I don't need a reason to lie to you
No pun intended, No punishment
If I offended you, you needed it!
Ideas are the bombs in your mind
A fissure in time
If you don't have a weapon, You can't have mine!
Pre Chorus -
I can bleed if I wanna bleed, I can fail if I feel the need
This face is my last confession
This life, it feels like a prison
Chorus -
Oohoo, I'm not afraid!
I'm giving into grievances again
Your looking at an absolute zero
I'm not the Devil, but I won't be your hero!
The catatonic, The sacrilege,
Your primadonna's are a privilege
My god has a need to react, It's as simple as that
It's better to settle than face the facts.
Pre Chorus
Chorus
Solo
Bridge - One thing that I can't stand
Is when the minutes fight the second hand
I'll waste a lifetime's worth
Just to cling to one more day
No fucking quarter, No premiums
The world is stuck in delirium
Man is a four letter word, It's really absurd
Stop - The hate isn't fake it's just inferred
Oohoo, I'm not afraid!
I'm giving into grievances again
I'm down to absolute zero
Another Zealot with the weight of the fucking world
Oohoo, I'm not afraid!
And I will let you down as I hold you in
You're looking at an absolute zero
I'm not the Devil, but I won't be your hero!
