Blew

Nirvana

An' if you wouldn't mind, I would like it blew
An' if you wouldn't mind, I would like it lose
An' if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breatheIs there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shameAn' if you wouldn't mind, I would like it blew
An' if you wouldn't mind, I would like it lose
An' if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breatheIs there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shameIs there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shameYou could do anything
You could do anything
You could do anything
You could do anythingYou could do anything
You could do anything
You could do anything
You could do anything
