## Let's Go To War

## **Murderdolls**

I'm the motherfucking wrench thrown in the gears Everything was great 'til I got here And I'm a bad guy inside and out Put your faith in me and I'll spit it out And I admit I'm a basket case With lipstick smeared across my face Cocked and loaded, can't shut me up Blame it on the music to cover it up Hey stupid don't suck your thumb Take your diaper off and put your helmet on Destroy 'til there is no more Put your helmet on, lets go to war Let's go, let's go, let's go Some things are better left unsaid But I'd like to see a bullet in your head Charge the damage to my card And I'll see you on the graveyard boulevard Have a boot to the face, it's on me Hard to talk shit with no fucking teeth Spit 'em out, spit 'em out all in a row So pucker up sucker, here's one for the road Hey stupid don't suck your thumb Take your diaper off and put your helmet on Destroy 'til there is no more Put your helmet on, lets go to war Let's go Shut your face and open your eyes Your whole fucking life was a lie And everything that you stood for Just had it's ass kicked out the door I am rubber and you are glue I'll beat the motherfucking shit out of you You're pro-life and I'm pro-death And I'll throw you from the tree and break your fucking neck Hey stupid don't suck your thumb Take your diaper off and put your helmet on Destroy 'til there is no more Put your helmet on, lets go to war Let's go, let's go, let's go, let's fucking go
