Torn

The Exploding Boy

I've seen a lot of faces
And everyone is torn
Caught here for ages
Drained from dusk til dawn
Well it's a lust like this that changes
A lust like this that falls
I've seen a lot of faces
And everyone is tornSell me to the constitution
That never served you wrong
Blame me for the evolution
That never turned you on
Place me in the cemetery
That's where I belong
Well it's a love like this that
A lie like this that keeps me torn
I've been in a lot of places
And everywhere it's wrong
Trapped in the mazes
The nights are getting long
Well it's a lust like this that changes
A lust like this that falls
I've been in a lot of places
And everywhere it's wrongSell me to the constitution
That never served you wrong
Blame me for the evolution
That never turned you on
Place me in the cemetery
That's were i belong
That's where I belong
A lie like this that keeps me torn
I've seen a lot of faces
And everyone is torn
I've been in a lot of places
And everywhere it's wrong
