Only One Left

Mal V Moo

They say, that I already know who he is
The one
And I say, that I do
But I chose not to tell him who he is
Cause I don't want to lose him as a friend
Should this not work out
But there's a high chance it will
I know that with him they'll be no doubt, and they'll be no tears
He's a great man, no doubt
Hook:
He's one
The only one
Left in the world
He's one
The only one
Left in the world
Left in the world
They say, and I say
they're all the same
But I know that i'm lying
He's the
last of
A dying breed
He's close to my heart, keeps it beating
But I don't want to lose him as a friend
Should this not work out
But there's a high chance it will
An angel on earth is what I found, he brings my heart cheer
He's a great man, no doubt
that he's
Hook:
One
The only one
Left in the world
He's one
The only one
Left in the world
Left in the world
Bridge:

Should I give in
Become more than friends
What if he doesn't feel the same
And things get awkward
And i'm the only one to blame
Cause I don't want to lose him as a friend
Should this not work out
He's a great man, no doubt
that he's
Hook:
One
The only one
Left in the world
He's one
The only one
Left in the world
Left in the world
