

Hey Sandy

[polaris](#)

Hey smiling strange
You're looking happily deranged
Can you settle to shoot me?
Or have you picked your target yetHey Sandy (ai yai yai yai)
Don't you talk back (ai yai yai yai), hey SandyFour feet away
End of speech, it's the end of the day
We was only funning
But guiltily I thought you had it comingHey Sandy (ai yai yai yai)
Don't you talk back, hey Sandy(Ai yai yai yai), hey Sandy
Don't you talk back
(ai yai yai yai), hey Sandy
Don't you talk back
Hey Sandy, ay, ay . . .
