Thank You For The Heartbreak

Sugababes

Getting lost up in the music
Getting lost up in the music
Give me one more lie that's all I need
One of those alibis you feed to me
'Cause that's my motivation, boy, that's the key
Every time my heart breaks, more energy
Tell me how them girls don't mean a thing
And how you only have them eyes for me
Then buy me some more flowers when you get caught
Another empty promise fresh out the box
You think I'm drowning in my sorrow
You'll be forgotten by tomorrow
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(Getting lost up in the music)
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(If I stop then I might lose it)
Give me one more chance, it's all the same
'Cause they don't wanna lose and they're afraid
'Cause when you feel the beat moving up through your spine
You know it's gonna be the last thing on your mind
I know you think I'm devastated
But in the end it's just what I needed
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(Getting lost up in the music)
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here

(Getting lost up in the music)
Dancing off my tears
(If I stop then I might lose it)
It doesn't matter how bad it hurts
I found a way to escape the worst
And loneliness is what you deserve
So be happy knowing that I'm not here alone
Music's always a friend to me
No bitter feelings, no enemies
And I don't know what you thought you'd see
I gotta tell you boy that I am so happy
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(Getting lost up in the music)
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(If I stop then I might lose it)
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(Getting lost up in the music)
Thank you for the heartbreak
I guess all that I needed was some heartbreak
Or I wouldn't be here
(Getting lost up in the music)
Dancing off my tears
(If I stop then I might lose it)
