

Nightmares

Chelsea Grin

I'm haunted by my wildest dreams
I'm haunted by what's living inside me I've witnessed the thing living in my dream
It's fighting and clawing it's way out of me My dreams paint very vivid pictures of
Something stalking me
Am I insane?
Or did I just hear someone try to talk to me Screaming my name
What's this nightmare in my head
What's this nightmare name unsaid
Are you real?
Are you real?
I'm haunted by my wildest dreams
I'm haunted by what's living inside me I've witnessed the thing living in my dream
It's fighting and clawing it's way out of me I can't tell if it's alive or dead
But in my dreams he'll be there
He'll always fucking be there with me
I've met the thing living in my dream
I have felt the fear growing inside of me What do you want from me Screaming my name
What's this nightmare in my head
What's this nightmare name unsaid
Are you real?
Are you real? I'm haunted by my wildest dreams
My dreams paint very vivid pictures of something stalking me
Am I insane?
Or did I just hear someone try to talk to me
What's in my head
What's in your head
What's in my head
What's in your head
What's in my head
I'm in your head
What's in my head! What's in my head!
I've witnessed the thing living in my dream
It's fighting and clawing it's way out of me
