

# Fallen

## Thirty Seconds to Mars

Yeah, I've been to Jupiter  
And I've fallen through the air  
I used to live out on the moon  
But now I'm back here down on Earth Why are you here?  
Are you listening?  
Can you hear what  
I am saying?  
I am not here  
I'm not listening  
I'm in my head  
And I'm spinning Is this who you are?  
(Is this who you are?)  
Some sweet violent urge  
A weak fallen man  
(A weak fallen man)  
With the promise of an end All the pretty people die  
Innocence is out of style  
All the whores have gone away  
Now there's nothing left for me (now there's nothing) Why are you here?  
Are you listening?  
Can you hear what  
I am saying?  
I am not here  
I'm not listening  
I'm in my head  
And I'm spinning Is this who you are?  
(Is this who you are?)  
Some sweet violent urge  
A weak fallen man  
(A weak fallen man)  
With the promise of an end Is this who you are?  
(Is this who you are?)  
Some sweet violent urge  
A weak fallen man  
(A weak fallen man)  
With the promise of an end
