

# Beautiful Bride

## Albert Cummings

There is someone on my mind  
Who is there every minute of time  
That's special kind of good  
Who means more to me than this whole world  
Every time I think I love you, ah yeah,  
I see you and me walking hand in hand  
The times of our lives,  
Oh my darling  
I'm so glad you're my wife

You're my warmth when I'm cold  
You're the one I'll be with when I grow old  
You're the petals on my rose  
You're the sun and the rain that make me grow  
You're my umbrella when it rains  
You're my rescue when I'm in pain  
When it's sunny you're my shade  
My love for you will never fade

We'll be companions to the end  
Don't you know that you'll always be my best friend  
There is nothing like the pride  
Of having you by my side

Because of you my dreams are sweet  
Thoughts of you I'll always keep  
In my heart, way down deep inside  
Oh my darling, you're such a beautiful bride
