

The Pimp

Scarface

[Verse 1] I like pussy, pussy's got me crazy

Well-shaped, light skinned, clean lady

Slapped me on a rubber my brother

And dived straight for the covers

One leg down one leg up

That's the way I like to fuck

I can feel in them guts

And I'm done once I bust me a nut

You can even suck it baby

Dick suck just drive me crazy

Aw yeah, suck it fast

Now wet your tongue and slide it across my ass

Lick the cum from my dick

whoooh Yeah, that's it.

Now turn over on your stomach

Open up, and let me run it

dead in that ass, bitch

This is what I call fuckin shit

"OOh shit, brad"

Loosen up, and it won't hurt so bad

I like to fuck till the rubber smokin

Switch up and keep on strokin

Bitches walk out the crib with a limp

Cuz I'm the motherfuckin pimp

...yeah this goes ou to the entire rap alot family all the motherfuckin pimps

[Verse 2] I was kinda lonely last week

So I called up this bad-ass freak

The bitch had a man and three kids

I just wanted to fuck and that's exactly what we did

I guess her husband aint packin

Cuz the bitch damn sure is fuckin action

But what he don't know won't hurt him, shit

Cuz see, I don't love that bitch

All I want to do is get a dick sucked

And a real quick nut

Knocked on my door at ten thirty

The first thing she said was don't hurt me

I cracked a little smile and just laughed

And got dead in that ass
I had the bitch screamin bloody murder
My next door neighbours even heard us
But I aint give a fuck, my brother
The bitch shouldn't've came by to let me fuck her
Pulled it out and laid it on her chest
And put her titties to the test
I made her hold it snug like a glove
I had to get a little dikie love
yeah that's like butt-fuckin
Then a real good dick suckin
The whole neighbourhood heard us
But ay yo i didn't pay for my service
One more bitch with a limp
Cuz I'm the motherfuckin pimp
to all the bitches i claimed to love
